COMPANY HISTORY

This company was formed as Building / Civil Construction Company by Ms. Tebogo Maisela(now has resigned) and Mr. Tseke Mphahlele in 2005.Since the establishment it is now on par with government regulations. It is done with the aim and vision of providing employment to the unemployment and transferring skills. As the company still on the growing stage we started on small projects such as the renovations of Ekurhuleni Municipality Properties and recently with D.I.D for building maintenance and supply of various material.

OPERATION AND OWNERSHIP

Tseke Mphahlele has previously worked as site manager at Denel Properties and Paragon Property Development, from where he was managing the operations on site. At the time he was involved in construction of commercial centre and residential including the playing grounds. The biggest structure that Tseke has done for Denel Properties was valued for R24 Million Then in 2004 he moved to join overseas company called Hayes Monterose which based in London (UK).

BLACK ECONOMIC EMPOWERMENT (BEE)

MANYAKA TRADING Pty Ltd occupied level 1 of BEE status.

135% Procurement recognition
100% Black ownership

EMPOWERMENT

The company is owned by the HDI black male and readily prepared to work with other small companies to empower each other and grow. This include other emerging companies owned by black females or youth. Joint ventures included.

SAFETY PROCEDURES / TRAINING

We work in accordance with the national occupational safety association (N.O.S.A.). This program is supported by a strategy based on allocated responsibilities within the management hierarchy and participation of the individual within the work force.

We believe that quality workmanship is the product of a worker properly equipped with the skills and equipment in a healthy and safe environment. Member of management for that specific division section or plant individually interviews every employee.

MANAGEMENT PRINCIPLES

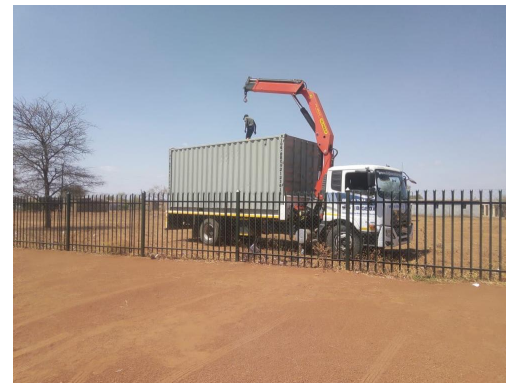

- Time factor
- Clear cut duties and responsibilities
- Level of communication from or top management
- Excellent quality of work
- Minimize shrinkage and loses
- Keep client happy at all times

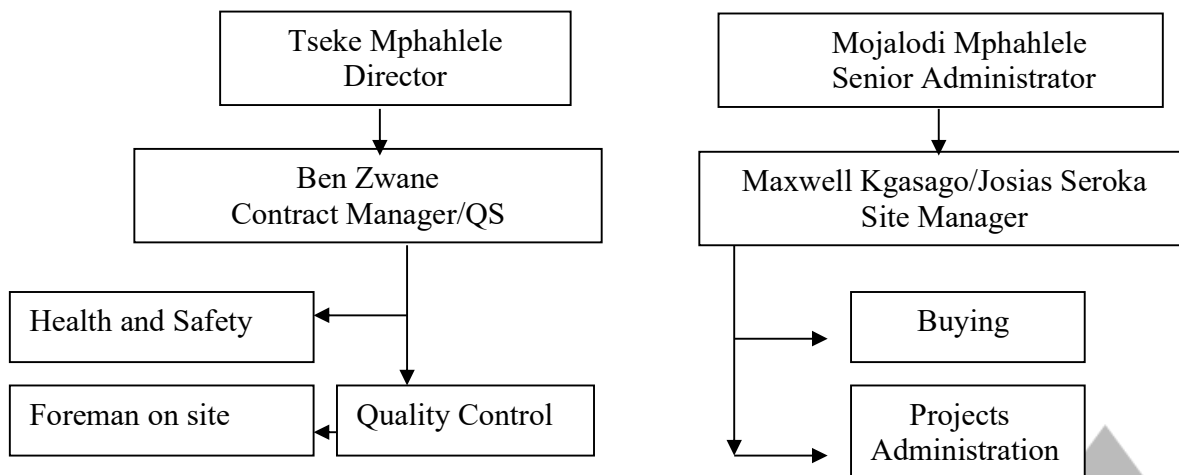

VALUES

Customer service
